Technical Committee 1.5, Computer Applications

TC 1.5 is concerned with determination of computer applications to the design and optimization of refrigeration, heating, and air-conditioning systems, equipment and components thereof; and with programs for all such uses.

Technical Group 1.GLE, General Legal Education

TG1.GLE will educate the ASHRAE membership in general legal matters, which

touch and concern the HVAC industry and its members. The committee will enable this education through the selection of speakers and offers for programs, and through the publication of articles and other educational materials
