

ASHRAE Technical FAQ

ID 70

Question Where can I get information on the options for changing the refrigerant used in my automobile air conditioner system?

Contact the original manufacturer of the equipment (OEM) for their recommendations.

Answer General information on replacement options is provided in the [2015 ASHRAE Handbook – HVAC Applications](#), Chapter [A10](#) - Automobiles.

The handbook and the other publications may be purchased and/or individual chapters of the handbook may be purchased and downloaded on-line at our website, www.ashrae.org or by calling 1-800-527-4723 in the USA and Canada or 1-404-636-8400 worldwide.

ASHRAE Pubs [2015 ASHRAE Handbook – HVAC Applications](#), Chapter [A10](#) - Automobiles.
